

SENIORS SOCIETY

ST LEONARDS MEMORABILIA

Jane Claydon's carefully researched history of Lacrosse was published in June in time for the Lacrosse World Cup held in Prague where 3 Seniors had been chosen to play for Scotland.

The book traces Lacrosse from its first beginnings as a game for girls when it was introduced at St Leonards in 1890 (it was previously played only by men), to its present day status as a game played by women throughout the world.

Notelets of St Leonards

Photographs by Carol E Smith (Kydd).
